16 – 19 Oct 2019 | Hong Kong Science Park

Using AI to Solve Healthcare's Real Problems

Ms. Colleen GREENE

General Manager, Global Healthcare and Life Sciences, USA

We will talk about how AI can help solve some of healthcare's biggest challenges. Learn about how AI in healthcare can assist in the transformation to value-based care. Discuss how the adoption of AI will drive operational efficiencies, improved quality, revenue optimization, and truly transform healthcare.
